Adirondack LT Summer Assignment

Hello! By the time you're reading this we'll be on the road making our cross country drive from Champaign, IL to Silver Bay, NY. After about 16 hours of driving over 2 days we should arrive at our Summer Assignment - Adirondack Leadership Training (LT). Following us by several days are the 15 students from U of I that we are taking through the Leadership Training program this summer. We'll join with 4 other campuses in the Collegiate Church Network to host 47 program students.

We really enjoyed our time there last Summer and are eager to return and work alongside God in the lives of our students and their peers. You may recall from last year that LT involves students working full-time for the Silver Bay YMCA while participating in intensive leadership development through teachings, service projects, training times, and 1 on 1 discipleship.

Upstate New York is a beautiful place and the YMCA is nestled in the Adirondack Mountains on the shores of crystal clear Lake George.

We will have the opportunity to hike, sail, kayak, swim, bike, and run. For athletes who love to connect with other athletes it's a wonderful place to be active and build relationships.

In fact, a few of the student athletes we have invested a lot of time in will be joining us for the Summer. Nick is looking forward to continuing a running outreach group for the students to invite their peers to just like he does on campus. Amy is excited about meaningful, deep conversations with students while sailing on Lake George. In all these things we hope for the love of Christ to be a bright light in a post-Christian culture.

We hope you'll join us in praying for the growth of our students and the whole of the LT program — that God would be at the center of our conversations and lives. We also would like to ask you to pray for us to be refreshed and prepared for another season of campus ministry through our time in the mountains.

Thanks for all you do to make this ministry possible!
